**STIPULATION AND ~~PROPOSED~~  
ORDER RESCHEDULING STATUS  
CONFERENCE**

This matter is currently set for status on July 27, 2006. This matter is also set for trial before the Court on November 13, 2006. The United States recently dismissed its appeal in the Ninth Circuit of the Court's adverse ruling on defendant's motion to suppress evidence. The government would like additional time to assess this case in light of its recent decision not to pursue an appeal. Undersigned defense counsel would like additional time to acquaint herself with the file in this case, which was recently reassigned to her from the prior defense counsel, former Assistant Federal Public Defender David Fermino. The defendant is currently not in federal custody. It is the parties' understanding that the Court is available on August 17, 2006.

//

1 In light of the above, the parties agree, and the Court finds and holds, that the status  
2 hearing in this matter is rescheduled from July 27, 2006 to August 17, 2006.
